

HIGH PERFORMANCE ANTISLIP ANTIWEAR CAST METAL STAIR NOSING

DATA SHEET: SN293/WL/280RT®	
DATE: Oct 2013	ISSUE: 2
ITEM: Stair Nosing	

Item: AATi™ type SN293/WL/280RT®-Wideline™ - stair nosing with silicon carbide granules cast into the metal matrix of the wearing surface. The front edge is defined by coloured abrasive inserts and a continuous coloured line along the riser face.

Application: For heavily used public stairways requiring high performance, extended life stair nosing of attractive appearance. Unique rear tapered surface grooves designed to drain water to the back of the nosing and cast in silicon carbide particles, ensure safe performance in wet or dry conditions.

Materials: Nickel Bronze, Gunmetal, Aluminium. Safety Black inserts supplied as standard, other colours are available on request.

Special attention should be given to installation & drainage of this product. For further advice please speak to a member of AATi's technical department.
Dimensions shown are nominal and subject to AATi manufacturing tolerances.
